Meeting Announcement

Next Meeting

Wednesday, February 16, 2005 at 7:00 P.M.

Location

Grandview Heights High School
1587 W. 3rd Avenue – 1st floor cafeteria

As you know we voted to meet in the library instead of in the cafeteria. However, the school doesn't allow food in the library, so, we'll have to stay in the cafeteria. Given a choice with this crowd, food always wins.

Jackpot

Roger Veley's name was called for the \$39 jackpot but, unfortunately, Roger was not present to win. The \$39 rolls into this month's jackpot. Don't miss out; be there when your name is called!

Club Auction

Our monthly coin auction will be held at the conclusion of the meeting. A list is enclosed with this bulletin. There is no buyer's fee. If you have any questions about buying or selling through the club auction please contact the bulletin editor.

February Educational Program

Mark Kimpton is our speaker this month. Mark is going to talk about "The Ultimate Collection of Clashed Morgan Silver Dollars". The topic will start with a brief description of what clashing is and then expand into some of the more interesting discoveries of clashed Morgan dollars. Mark will show some of his examples of clashed Morgan Dollars. Plan on attending this interesting presentation.

Coin Quiz

Gerry is working on a quiz topic as you read this so be prepared for about anything. A fabulous silver dollar to the winner again!

Show and Tell

You folks have been real stingy bringing the show and tell stuff lately. Let some air in those closets and bring a few neat things out to show at the club. Clashed coins would be an appropriate show and tell item this month, don't you think?

THE C.N.S / C.O.I.N.S

WORLD COIN, CURRENCY, AND MEDAL SUB-CLUB

February 2, 2005 Notice

Dear C.N.S./C.O.I.N.S. Member,

Our next meeting will held on Wednesday, February 2, 2005 at 7:00 PM in the library on the second floor of the Grandview Heights High School, site of the clubs regular monthly meeting. The speaker will be me – I'll discuss my progress in assembling my birth year collection of world coins and what I've discovered in my pursuit of this rather egocentric project.

In honor of February, which is National Silver Month in Bulgaria, we'll host a most attractive Crown contest. Bring your most interesting or favorite crown-sized pieces to the meeting – winner of the contest will be selected by acclamation. I'll dig into my stuff and come up with a suitable reward for the recipient of this high distinction.

Of course, you're welcome to bring other coins, notes, medals, or treasures that will inspire interest on the part of your fellow club members. If you have items for sale or trade, bring those along, too – we'll see if we what sort of enthusiasm exists for bit a of world numismatic commerce.

E-MAILS – As I mentioned in last month's flyer, I would appreciate your providing me with your e-mail address. You'll get the notices for the meeting earlier, the club will save a stamp, and I'll save some work. If you have not provided it to me and wish to do so, e-mail me at heathmacalpine@hotmail.com . If you prefer getting notices the old fashioned way, however, we'll keep sending it to you via snail mail.

SUNDAY MEETINGS – Dan Rich's 3rd Sunday Columbus show continues to be a great success. Dan has kindly offered us space at the show to hold our bi-monthly Sunday meetings, rather than meet at member's homes. I would like to have some discussion at our meeting about whether we want to take him up on his offer. Thanks, Dan.

THANK YOU to Bill Smith in Centerville for hosting our January meeting. Bill, who used to have a fascinating collection of world coins, went over to the paper side some time ago and now has a fascinating collection of world bank notes. He shared some extremely interesting notes with us, as well as giving those in attendance a pretty good overview of the field and where it's going. Our apologies, Bill, if anyone drooled on some of your stuff.

VOLUNTEERS STILL NEEDED TO PRESENT at the MARCH, APRIL, JUNE, AUGUST, SEPTEMBER, OCTOBER, NOVEMBER, AND DECEMBER meetings. We're not picky, and the presentation is as informal as you want it to be. Do your part to make the rest of us smarter (shouldn't be too tough). If interested, get in touch with me. Otherwise, conscription will begin shortly.

I look forward to seeing you. You can get in touch with me 614.205.0648 or at heathmacalpine@hotmail.com .

Yours,

Heath
